

## Central European Rally 2025

### 15 - 19 October 2025

As the 12th round of the 2025 FIA World Rally Championship, this rally is being launched with a very special concept. The rally, which starts and finishes in Germany, includes special stages in Germany as well as stages in the Czech Republic and Austria. This three-country concept brings fast stages in Germany, technically demanding stages in the Czech Republic and varied, winding stages in Austria. It is also interesting due to the challenge of tyre selection with the changing tarmac and autumn weather.)
