

Info Croatia Rally 2026

After a short break in 2025, the Croatia Rally will return to the WR calendar in 2026. It will take place around Zagreb from 9 to 12 April 2026.

CROATIA

Zagreb is the capital of Croatia with 800,000 inhabitants and a historic city centre. Temperatures at this time of year range from 16C to 20C. It can be quite a bit colder in the mornings and evenings.

RALLY

This iconic rally is taking place for the more than fifty time and for the fifth time with WRC status. The rally centre is located above Zagreb near a shopping centre. We will see the shakedown, where the teams test their rally cars before the rally, and during the rally we will see approx. 6-7 special stages.

ARRIVAL

Arrival is possible by flight to Zagreb Airport, and we have transfers to our hotel throughout the day on Wednesday. On Sunday after the last special stage, transfers are available until 6 p.m. On Monday, transfers will be available from early in the morning until 10:00 a.m. We are happy to assist you with selecting your flights upon request. If you are travelling by car, you can book parking spaces at the hotel for €25 per night. Please book these in advance with us as the number of spaces is limited.

HOTEL

The Rallytravels Hotel is the 4* Hotel Dubrovnik. It is located in Zagreb. The rooms are all very spacious and the hotel has a steakhouse, a lobby bar and a coffee house. There are also several other restaurants and bars within walking distance.

BUS

Rallytravels will be travelling to the stages in a 45-seater bus.

FOOD AND DRINK

There is a restaurant in the hotel and there are also restaurants in the immediate vicinity. During the rally days, there are always places at the stages with snack stands or restaurants. We will also stop at rest areas if time permits during the stages. Nevertheless, it is recommended that you always carry a rucksack with the necessary drinks and food. Small collapsible camping chairs are also very helpful.

We have rally fans from all over the world with us, mostly from Sweden, Austria, Norway, Germany and France. The tour guide is in Swedish, German, English and French.

Our Rallytravels guides are all infected with the rally virus and work in various positions within the rally world, so they are well qualified to answer your questions.

Our regular crew are Per Carlsson and Claudia Bidlas, who accompany on all trips. When necessary, they are supported by Miriam Waldfriðsson, Marc Hermes, Cathi Schmidt and Roger Turesson.

Among other things, our service also offers the Rallytravels app during the rally with start lists, restart lists and results lists, as well as stage times and the latest information during the rally days.
