We have rally fans from all over the world with us, mostly from Sweden, Austria, France, and Germany.

Our tour guide is in Swedish, German, English and French. Our guides are all infected with the virus "rally" and each operate in different position in rally events and therefore are also qualified to answer your questions.

Our regular crew is Claudia Bidlas and Per Carlsson which are represented at all rallies. If required they are supported by Miriam Waldfridsson, Cathi Schmidt, Marc Hermes and Roger Turesson.

Among other things, our service offers the Rallytravels app during the rally with a start list, restart lists, results lists as well as stage times and the latest information during the rally days.
