Rally Croatia 2027

07 – 12 April 2027

Narrow tarmac roads, endless corners and stunning scenery in the countryside around Zagreb. For spectators, Rally Croatia is one of the best events on the WRC calendar and probably the most spectacular of all tarmac rallies. We accompany round 4 of the 2027 WRC season from the first to the last day of the rally.

Good to know

In April, temperatures in and around Zagreb reach up to 15°C; mornings and evenings can be cooler. We also spend time in the surrounding hills, where short cold spells are still possible at this time of year. We recommend layered clothing, sturdy footwear, a backpack with drinks and snacks, and a small folding chair.

Our guests come from all over the world. On site, information is provided in Swedish, German, English and French.
